Campus Health Services

campushealth.unc.edu
All newly enrolled students must complete the required Health History and Immunization Form by June 15.

The form can be accessed at http://connectcarolina.unc.edu under the “More Student Links” tab.

For a list of all required and recommended immunizations, please visit the Campus Health Services website.

If the form is not completed and turned into Campus Health Services 30 days after the beginning of the semester, the student will be withdrawn from the university.

Primary Care

- Board Certified Physicians, Physician Assistants, & Nurse Practitioners
- Primarily work on appointment basis
- Seek to pair the student with a provider with whom they are comfortable
- On-site Referral Specialist
- No show charge may apply
Sports Medicine and Physical Therapy

- Jointly supported by the Athletic Department and the Campus Health Fee.
- Students receive care from the same professionals caring for scholarship athletes.
- There are professional charges for seeing the orthopedist and for post-surgery, post-fracture PT.

Photo by Dan Sears, UNC Chapel Hill
Women’s Health

- Obstetrician Gynecologist
- Nurse Practitioners with expertise in Women’s Health care
- Provide gynecology care & education
Both locations offer:

- Prescription and over-the-counter medications
- Private consultation rooms which allow for excellent educational services regarding medications
- Flu shots given without an appointment
- Convenient payment options including placing charges on student account

Almost all insurances accepted, so only copay charged
Counseling & Psychological Services (CAPS)

- Psychological evaluation
- Brief Therapy

Student Wellness

- Enhances health of students on campus by fostering an environment that creates, emphasizes and supports healthy choices

- Uses a holistic model of wellness
  - Cultural
  - Emotional
  - Environmental
  - Financial
  - Intellectual
  - Physical
  - Social
  - Spiritual

- Offers events, appointments, workshops and student groups
What is the difference between the Campus Health Fee and Student Health Insurance Premium?
Campus Health Fee

- Campus Health Fee is $370 (billed $185 per semester)
- Charges Covered by the Health Fee
  - Unlimited provider visits in the Primary Care Clinics
  - Unlimited provider visits in the Women’s Health Clinic
  - Nutrition counseling
  - Sports Medicine including musculoskeletal evaluation, concussion care and rehabilitation
  - Counseling and Psychological Services (CAPS), including individual and group psychotherapy.
  - Access to the Campus Health and Student Stores Pharmacies and personal counseling about prescriptions by a pharmacist
  - Access to specialty care within CHS at significant savings compared to community charges, including: Orthopedics, Gynecology, Dermatology Care and Travel Clinic
Charges Covered by the Health Fee (continued)

- Regular protocols recognized by the University for considering the student’s health status as it relates to academic performance (course drops & withdrawal from school for medical reasons)
- Sexual assault resources
- Certified Diabetes Educator
- Preconception & pregnancy counseling
- Nurse consultations on a variety of health-related issues, including Women’s Health, Sports Medicine, etc.
- Campus Public Health and collaboration with Health Agencies
- Specialty services referral service and insurance assistance
- 24 hour nurse advice line and on-call physician access
- 24 hour on call student crisis support
- Funds health promotion and violence prevention services offered by Student Wellness
The UNC System requires all students to have health insurance. The UNC System Student Health Insurance Plan covers most charges at CHS and is accepted world-wide. Charges incurred outside of Campus Health Services are subject to deductibles, co-pays and co-insurance.
Students must either enroll in the student insurance plan or show proof of insurance at bcbsnc.com/student.

If the online waiver is not completed, $1,111.00 per semester will be billed to the student’s University account.
In-Network Insurance Plans

- In-network for 90% of students
- Campus Health Services is currently in network with the following plans:
  - All UNC Sponsored Insurance Plans
  - Blue Cross Blue Shield Plans with the exception of Blue Local Plans
  - Cigna (with exception of Psychiatry Services)
  - United Healthcare
  - NC Medicaid
  - Tricare Standard and Tricare Reserve Select
  - Aetna/Coventry and MedCost – Currently under development; anticipate Fall Semester 2016.
For international insurance plans, CHS can provide students with the necessary information to file their own claims.

Please remember that the Campus Health and Student Stores Pharmacies are in network with virtually all US health insurance plans including all of those listed above.

CHS will electronically file a student’s primary insurance
