

Establishing NC Residency – A Workshop for Students

Sarah Jacobson, Asst. Dean, Admissions and Enrollment
The Graduate School

Workshop Expectations

- Learn about basic criteria for residency for tuition purposes
- Review process for requesting residency determinations and for notifying campus of changes
- Overview of resources and contacts
- Review of important campus deadlines
- Chat open during session – will answer questions as time allows after presentation
- **Unable to answer specific/individual residency questions**
- **Session will be recorded - please do not share personal/identifying details (including in the session chat)**
- Slides/session recording distributed post-session

The Very Basics

- The state subsidizes the cost of NC public university tuition for all students whose permanent legal residence is in NC
- A student's residency determination establishes their tuition rate

Pillars of Residency for Tuition Purposes

1. **Legal Capacity:** at least 18 and a US Citizen or hold eligible immigration status
2. **Domicile:** must establish and have intent for NC residence to be primary, permanent home
 - Domiciliary Acts – Evidence that a person has taken actions typically associated with establishing a permanent residence
3. **Duration:** minimum of 12 months of established domicile and presence in NC
4. **Financial independence:** not claimed as dependent on income tax return; possesses sufficient funds to live and pay tuition and fees at the person's current resident classification without outside financial assistance. In general, a student cannot be approved as a resident for tuition purposes if that student is financially dependent upon parent(s) or legal guardian(s) who are not legal NC residents.

Defining and demonstrating domicile: Examples of domiciliary acts

- Employment
- Taxes
- Voter registration and activity
- Jury duty
- Car registration
- Driver's license / State I.D.
- Property ownership
- Time in and out of state
- Ties to community

Demonstrating financial independence

- Employment (full- or part-time status) in NC
- Tax status and dependency
 - Evidence of not being claimed on parental taxes
 - Federal and State income tax returns
- Current/prior income
- Sources and extent of financial support (university assignments, parental assistance, other funds in your name, etc.)
- Leases, bank accounts, titles, etc. in student's name without parents
- *Parent's health insurance policy – does not impact independence*

What is RDS?

- Residency Determination Service (ncresidency.org)
 - Centralized system that provides one residency determination for admissions applications to multiple North Carolina public colleges and universities
 - Residency processes via RDS:
 - Initial considerations
 - Reconsiderations
 - Appeals
 - Graduate student populations began using RDS Fall 2018

RDS for graduate applicants

- Applicants who claim to be NC residents while completing the admissions application are routed to RDS for a residency determination
- Applicants who do not claim NC residency during the application process are coded as Non-Residents and do not go to RDS at this time. They will likely engage RDS for the first time during their second year.

Do you claim to be a North Carolina Resident?

- Yes, I claim to be a North Carolina resident for tuition purposes.*
- No, I do not claim North Carolina residency for tuition purposes. I understand I will be charged the non-resident tuition rate if enrolled at a North Carolina state-supported institution.

*If you claim to be a resident, you must complete the residency process with the Residency Determination Service (RDS) at www.ncresidency.org. The RDS will provide you with a Residency Certification Number (RCN), which you may enter below. If you do not enter your RCN below, you will not be able to submit your application.

RDS for enrolled graduate students

- Students who are already residents do not need to take any action
- Students currently have **45 days** to complete their residential actions (adjusted from 30 days due to impacts from the pandemic)
 - **FALL 2021 DEADLINE FOR RESIDENCY CHANGES: OCTOBER 1, 2021**
 - RDS determinations within 45 days from the first day of the term are applied to the current term. Determinations more than 45 days from the first day of classes are applied to the next term.
- Students should engage RDS no earlier than 365 days after arriving in NC and completing some residential acts
 - Timing very important and individualized
- Same RDS process as for applicants (the RDS “interview”)
- Link to RDS from ConnectCarolina StudentCenter

Applying for Residency: Basic Two-Step Process

1. Initial determination/Reconsideration/Appeal/Status – ncresidency.org
 - Log in via CFNC account
 2. Students must provide RCN number in their ConnectCarolina StudentCenter to notify campus when they obtain resident determination
- ❖ Must pay attention to campus term dates – RDS not linked to campus calendars
- Fall 2021: October 1, 2021
 - Spring 2022: February 23, 2022
 - University Registrar's calendar: <https://registrar.unc.edu/academic-calendar/>

The RDS Interview process

- Students asked a series of questions designed to determine residency
 - Do you have a NC drivers license? What is the number?
 - Did you file a NC tax return last year? What filing status?
 - Average interview takes 10-12 minutes to complete
- Students will not be asked to upload documents during the initial interview; the RDS system queries state databases
- Validation of information – initial v. validated determination
 - Additional documentation may be requested as part of the validation process
 - Students will be notified via email and their RDS status page if additional documentation is requested

RDS Interview – Getting Started

- Create/log-in via CFNC account (ncresidency.org)
- Acknowledge tips for completing the process
- Agree to consent and authorization
- Validate (or edit) basic bio/demo information on account
- Option to opt-in to text alerts

NC Residency Appeal

NC Residency for tuition purposes is governed by North Carolina State law and is determined through the Residency Determination Service (RDS) at www.ncresidency.org. Please visit this web site to complete an initial residency determination, an appeal to a residency determination or a request for reconsideration of residency determination. Note that appeals must be completed within 10 days of your initial determination. For information on residency appeals and reconsiderations, visit <https://ncresidency.cfnc.org/residencyInfo/guidelines>.

If you have completed one of these processes at RDS and would like for UNC-Chapel Hill to retrieve your new residency determination, please check the box below and submit.

Reconsideration? Appeal?

- If you receive a non-resident determination, you have the option to request an appeal or reconsideration

- Veteran's Choice Act (effective July 1, 2015)
- Spousal Pair
- Employee & Dependent/Spouse (Full-time, permanent employees only)

Some exceptions/provisions are handled by RDS; others are handled by campuses

- Campus Registrar's Office handles some exceptions and is the central office on campus for residency policy
- Visit <https://ncresidency.cfnc.org/residencyInfo/studentFAQ> for more information

Misconceptions

- Students are REQUIRED to become residents - **FALSE**
- Homeownership guarantees residency status for tuition purposes – **FALSE**
