1. During non-service semesters, it is expected that The Graduate School will provide the primary, base stipend. Fellows are permitted to receive supplements to this amount, provided their overall stipend does not exceed \$34,000 annually. During service semesters, the fellow's academic program will provide the primary, base stipend at at least the minimum stipend. The fellow may be ranked as a Fellow, TA, RA or Trainee. The base stipend may also come from external fellowships or assignments outside of the academic program in certain cases.
2. The stipend from The Graduate School will always be processed as a NON-SERVICE award and disbursed as a refund through the Cashier's Office.
3. A stipend amount of at least the recommended minimum stipend for TAs is required to be paid from student's academic department for all service years or semesters. The fellow may be ranked as a Fellow, TA, RA or Trainee.
